

Five People Gas Poisoning on Ship MV Sumiei

ADMINSUARABORNEO FEBRUARY 24, 2018 GENERAL

Suaraborneo.com - Last night at 20:05 pm, Saturday (25/4) there has been a case of gas poisoning accident on one of MV Sumiei ship from Pelabuhan Tanah Laut area to Jambi area. The vessel contains the transport of Palm / Kernil to be brought to Jambi area.

The vessel contains the transport of Palm / Kernil with a tonnage weight of 600 tons. The incident started when the Master opened the gate of the hatch and it turns out the victims immediately perform activities of loading and unloading activities immediately on the spot.

Whereas previously been appealed by the Master ship MV Sumiei so as not to direct to perform these activities during the period of 3 hours and has repeatedly given warning not to carry out activities.

But the victims ignored the appeal and went downstairs to do their work, either to get it over or whatever the victims did not notice this warning. So the victims quickly went down the hatch and it was not long before the victims immediately suffered from gas and gas poisoning due to inhalation of the poisonous gas.

Initially only two people first down the hatch and not intermittently long followed by both colleagues again to go down, and apparently not long ago the four people immediately experience weakness.

And for the fifth victim comes from the Port Health Team who heard the news of the incident with a spontaneous he immediately came down to help and evacuate the victims, was also experiencing ill-fated also due to inhalation of the poisonous gas.

As for the five victims are Madi (55) as Mandor, Jani (48), David (30), Syarani (40) and one from the Port Health Team named Dr Wahyu also experience this disaster.

After knowing that there has been this disaster, the five victims were immediately rushed to the TPT hospital in order to get help from the Medical Team there.

Of the five victims there was one of the victims who died named Madi (55) and he is also a member of PMK Serkal Banjarmasin, while for the other four victims are still in the handling of the hospital.

The captain of the MV Sumiei ship named Hernaldo Yuno confirmed this information at the time of confirmation that there had been a work accident on our ship tonight, we had warned not to first unload the ship for 3 hours, in order to avoid the incident this,Like. *(Ad / Gt.Ir-Bjm)*
